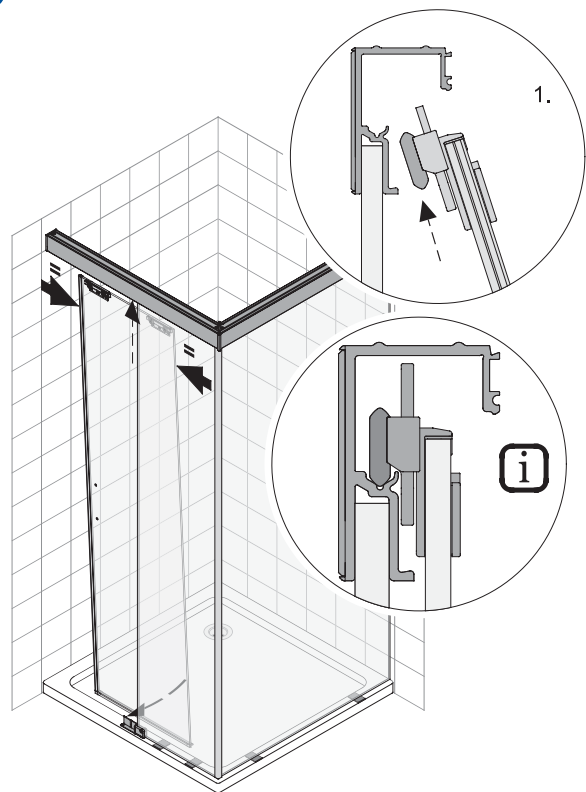

Diagram illustrating the assembly of a glass door into a frame. The diagram shows the glass door being fitted into the frame, with callouts 1, 2, and 3 indicating specific components or steps. Callout 1 points to the top edge of the glass door. Callout 2 points to the bottom edge of the glass door. Callout 3 points to the top edge of the frame. A dimension line indicates a distance of $X = 17 \text{ mm}$ between the glass door and the frame. A ruler and a pencil are shown at the bottom right, indicating measurement and marking.

Diagram illustrating the installation of a shower door. The main view shows the shower pan with a drain, the glass door being lowered into the frame, and a callout showing a close-up of the door's edge being guided into the frame. A label '1.' is next to the door. A legend at the bottom shows a blue line and the word 'Silikon'.
